Duration of the subscription and revision of the amount of compensation This agreement is entered into with effect from the first of the following month for a period of 12 months, after which the subscription is automatically continued for an indefinite period. From that moment on, the subscription can be cancelled with due observance of a notice period of 1 month.

The currently applicable fees can be revised by the contractor. However, increases are limited to the CBS Consumer Price Index or, if not available, a comparable index. Changes to tax rates and levies are always implemented immediately on the date of the change.

Failed payment If a direct debit is reversed or is unsuccessful for some other reason, the contractor will draw up an invoice for the amount due plus administration costs of €5 and, if applicable, also plus VAT or AB in accordance with payment fees for transactions as stated on page five.
