If you take out a mortgage, you can also take out a term life insurance policy. With a term life insurance policy, surviving relatives receive a sum of money if you die. With this sum, they can, for example, pay off (part of) the mortgage.

If you take out a mortgage, you can also take out payment protection. With payment protection (also called housing costs insurance), you will receive benefits for your housing costs if you become disabled or unemployed.

What can this financial service provider do for you in the future?

Always return to a financial service provider if your personal situation changes. Because of these changes, the mortgage/insurance may no longer suit your situation. For example, because your family situation or income changes. Then you may pay too much or run more risk than you want.

For an orientation interview you can always go to a financial service provider. Is there an important change in your mortgage and/or insurance? Then the financial service provider or provider will contact you, without you paying for it.

Does this financial service provider also offer maintenance services? ³

For maintenance services you pay an amount via a fixed rate or a subscription.

For more information about other services in the future, please visit the website of your financial service provider <https://vergelijkdesk.nl/downloads/>.

³ With maintenance services, a financial service provider can monitor with you whether there are any changes that require an adjustment to your mortgage or insurance.
